Minor Incidents of the March to the Eea. EDITOR NATIONAL TRIBUNE: In the

EDITOR NATIONAL TRIBUNE: In the Issue of April 2, Gen. Raum is in error regarding the organization of the Second Brigade of Kilpatrick's Division, preparatory to marching to the sea.

The Second Brigade, commanded by Col. Atkins, was composed of the 5th Ohio and 9th Ohio Cav., McLaughlin's Squadron Ohio Cav., 92d Ill. Inf., and the 9th Mich. Cav. I was the bugler of McLaughlin's Squadron, my duties fre-McLaughlin's Squadron, my duties fre-quently requiring me to report at the 9th Mich. headquarters.

Down in the swamps of South Caro-lina my horse was stolen, and in lieu of walking I decided to ride a mule. That decision, however, was promptly revoked when I discovered the mule was blind.

'A "horse trader," belonging to the 5th
Ohio, became my accredited agent to procure me a horse. In this enterprise, as in others, he was eminently successful. He delivered into my hands a fine gray animal, for which I paid him the stipu-

In the Shenandoah Valley.

Entror National Tribune: When I rend the heading, "A Battle-Highway," in my National Tribune, I was all interest and attention, and commenced to devour it with avidity, but as I rend on I was sorely disappointed to find that the first real battle of the famed Shenandoah Valley, in which Stonewall Jackson with his famous "Foot Cavalry" received the only real, rightdown whipping on ground of his own selection during the war was completely ignored. ar was completely ignored. On the 23d of March, 1862, Gen. James

Shields's troops of about an equal number with Jackson's fought a most hot-ly-contested battle just outside of Winchester. We drove the Confederates from their position behind a stonewall; they their position behind a stonewall; they fleeing up the Valley towards Strasburg, and we following until it got too dark to distinguish friend from foe. The next day we followed as for Strasburg, and eventually on up the Valley as far as Ædinburg, where on the 16th of April a plan was put in operation with a view to cut off Jackson's retreat by sending a picked force of 1,000 infantry from the 48th and 67th Ohio and 14th Ind., and two sections of Clark's Battery by a cirtwo sections of Clark's Battery by a cir-cuitous march to take and hold the bridge at Mount Jackson, while Shields was to attack with his main force; but the route taken was some seven or eight miles farther than had been represented, and with the mountain streams much swollen and roads almost impassable, we did not reach the bridge before daylight, as we were expected to; on the contrary, we were about eight miles from there at 9 o'clock in the forenoon, when we learned that Jackson had escaped, and our night's march and hardships availed nothing.— H. We believe this report, because plenty of people will buy the President's books at whatever cost. It is good business move on the part of the publisher in his own interest, as well as in the interest of the distinguished author.

Heretofore, we understand, the President's profits have not been nearly commenced.

own interest, as well as in the interest of the distinguished author.

Heretofore, we understand, the President's profits have not been nearly commensurate for his labors as an author. He is an open-handed man who probably carel little about royalties. We will all be gind to leave that his labors will be liberally rewarded. Meanwhile, and for a little while only, we have these ten volumes of the President's books for sale at \$5 - only 50 cents a volume. When they are all gone these volumes will be apt to double and troble in value.

We have previously described the new botanic discovery, Alkavis, which proves a specific cure for diseases caused by Urle acid in the blood, or disorder of the Kidmeys or urinary organs. It is now stated that Alkavis is a product of the well-known Knya-Kaya Shrub, and is a specific cure for these diseases, just as squinine is for malaria. Hon, R. C. Wood, of Lowell, Ind., writes that in four weeks Alkavis cured him of Bheumanilson and Kidmey and hisdder disease of ten years standing, and Prof. Edward S. Fogg, of Covington, Ky, gives similar testimony. Many ladies also testify to its wonderful cuntive powers in disorders peculiar to womanhood. The only importers of Alkavis so far are the Church Kidney Cure Co., of No. 421 Fourth Avenue, New York, and they are so anxious to prove its value that for the sake of introduction they will send a free treatment of Alkavis prepaid by mail to every reader of The NATIONAL TRIBUNE who is a Sufferer from any form of Kidney or Bindder disorder; Bright's Disease, Rheumatism. WEAR MEN

A WIDE-OPEN LETTER TO THAT ARMY OF WEAK MEN WHO HAVE

BEEN DEFRAUDED BY THE

My DEAR BROTHERS:-More than 260,000 permaent cures during the past three years prove that my Wonder-Workers" are a God-send to weak mea verywhere. There is not a case of Men's Weakness, Varicocele, or Nervous Troubles of any kind anywhere on earth (no matter whether caused by overwork, abuse or worry; and no matter whether the man be old or young) that "Wonder-Workers" will fail to cure quicker and at less expense than any other remedy made anywhere in the world, lowing our instructions. Our treatment is very if simply used (at home, at your work), one tablet at a dose three times a day. They cured me in less than one month's time, at the age of forty-four years, when I like you, lacked that vitality without which a per-son is a man only in name, and after I had been

> that I am the only man in the world in the be who has solemnly sworn that the medicine he sells cured bimself, and that the names of all who buy it will be held sacred forever. It cures Varicocele. I am the same Geo. S. Beck who is hated by every Free Sumple schemer, Free Prescription fakir, and C.O.D. fraud in America, because of the minmer in which I have exposed their infamous schemes. Their only object in making "Free" offers is to get the names of men who are vitally weak, so that they may harass them with their impudent letters, and lying, fifthy circulars; and I now again challenge all of these poison distributors to thoroughly sift and test my charges of viliainy and fraud in any court they may

select. If you have had any dealings with them you know that all my charges against them are true. I beg to assure you on my honor as a ma matter whether you are married or single, old, young or middle-aged; or no matter whether your weakness or nervousness is caused by overwork, too frequent indulgence in legitimate pleasures, the practice of secret vice or the excessive use of strong drink or tobacco, the use of my "Wonder-Workers" will search every nerve center of your body, renew every tissue, develop every organ, sfrengthen every muscle, invigorate every function, and bring to you a perfect and permanent restoration of strength and manly vigor. The reason why "Wonder Workers" do this is because they are a Pure Nerve Food and Tonic, and because they do not conthis any phosphorus, or Spanish fly, or any other of the poisons that make the vile nostrums sent out by the frauds and quacks so dangerous to human life. It is perfectly safe to use them at any time or under any freumstances, and their use will not fail to restore NATURAL strength and vigor without stimulation in

old or young. Bear in mind, they cure Varicocele. Because of the wonderful merit of my "Wonder-Workers" medicine, I have built up the largest mailorder medicine business in the world in less than four years, and have been compelled to remove from my old quarters at 420 S. Market St., this city, to 44 and 6 East Main Street, the largest business building in Springfied, in order to properly conduct my enor-mous business. If you order "Wonder-Workers," MENTION THE NATIONAL TRIBUNE, the publisher of which is hereby authorized to publish me as a frand and scoundrel if I fall to do exactly as I agree with any of its readers.

postage, I send them by mail prepaid, thus saving you ten cents. If you have any doubt about me write any Commercial Agency, the First National Bank of this city, (the bank of which Hon. Asa S. Boshnell Ex-Gov. of Ohlo, is President,) or to any of your

ress office. If you send \$1.15 to pay packing and
